MEJI A G

Software Engineer

Thrissur, Kerala | mejigeorge2002@gmail.com | +91-7736668497 | LinkedIn | Portfolio

PROFILE SUMMARY

M.Sc. Computer Science graduate (CGPA 8.0) seeking an entry-level Software Engineer role. I build web and mobile applications with React and Flutter, integrate REST APIs and Firebase, and work with PostgreSQL. I have strong computer science fundamentals: as an Assistant Professor I teach Data Structures, DBMS and Python, and review and debug student code every day. I write clean, tested code and verify API behaviour with Postman.

TECHNICAL SKILLS

- **Languages:** Python, JavaScript, Dart, SQL
- **Frontend & Mobile:** React, Flutter, HTML, CSS, responsive UI
- **Backend & Data:** REST APIs, Firebase (Authentication), PostgreSQL, Hive
- **Tools:** Git, Postman, Figma
- **Fundamentals:** Data Structures, Algorithms and Problem Solving, DBMS, Cryptography, Data Science basics

PROJECTS

Book Mate – Book Recommendation App Flutter, Dart, Firebase, Google Books API

- Built a cross-platform mobile app that recommends books by category, with login, category selection and book detail screens.
- Integrated Firebase Authentication for sign-in and the Google Books API for live book data, and tested each integration point.

Weather App – Real-time Weather Updates React, JavaScript, REST API

- Developed a React app that fetches real-time weather data from a REST API and shows it for the user's location.
- Validated API responses and kept the interface consistent across states.

Movie Database Application React, JavaScript, REST API, HTML, CSS

- Built a responsive web app to browse and search movies using an external API.
- Implemented dynamic search, movie detail pages and a responsive layout with reusable React components.

PROFESSIONAL EXPERIENCE

Assistant Professor, Department of Computer Science Jan 2026 – Present

ECR Institute of Management Studies, Udupi, Karnataka

- Teach Data Structures, DBMS, Python Programming, Cryptography and Fundamentals of Data Science to BCA students across all three years.
- Run programming labs: review, debug and evaluate student code, explaining logic errors and better solutions.
- Students scored up to 98/100 in Fundamentals of Data Science in the last semester university examination.
- Serve as class advisor and mentor, and handle exam duties and event coordination.

EDUCATION

Master of Science in Computer Science 2023 – 2025

University of Kerala, CGPA: 8.0

Bachelor of Computer Applications 2020 – 2023

University of Calicut, CGPA: 7.2

LANGUAGES

English, Malayalam
