MEJI A G

QA Engineer / Software Tester

Thrissur, Kerala | mejigeorge2002@gmail.com | +91-7736668497 | LinkedIn | Portfolio

PROFILE SUMMARY

Detail-oriented M.Sc. Computer Science graduate (CGPA 8.0) seeking an entry-level QA / Software Testing role. Skilled in manual testing, writing test cases, reporting defects and testing REST APIs with Postman. Hands-on experience testing my own web and mobile applications built with React and Flutter, including login flows, API integrations and UI behaviour. Strong grounding in DBMS, SQL, Python and data structures. Currently an Assistant Professor in Computer Science, where reviewing and debugging student programs daily has sharpened my eye for errors and edge cases.

TESTING SKILLS

- **Manual Testing:** Functional, UI, smoke, sanity and regression testing; positive and negative test scenarios
- **Test Documentation:** Test scenarios, test cases, test data and clear, reproducible bug reports
- **API Testing:** Postman – sending GET/POST/PUT/DELETE requests, checking status codes, validating JSON responses
- **Database Testing:** Writing SQL queries to verify data in PostgreSQL
- **Concepts:** SDLC, STLC, defect life cycle, black-box testing, severity and priority

TECHNICAL SKILLS

- **Programming:** Python, JavaScript, Dart
- **Web & Mobile:** HTML, CSS, React, Flutter
- **Databases:** PostgreSQL, SQL, Firebase, Hive
- **Tools:** Postman, Git, Figma

PROJECTS (DEVELOPMENT & TESTING)

Book Mate – Book Recommendation App Flutter, Firebase, Google Books API

- Tested end-to-end user flows: login, category selection, recommendations and book details.
- Verified Firebase authentication and Google Books API integration points for correct data and error handling.

Weather App – Real-time Weather Updates React, JavaScript, REST API

- Validated weather API responses and checked that location-based data displayed correctly.
- Tested UI consistency across screen sizes and handled invalid or empty API responses.

Movie Database Application React, JavaScript, REST API

- Tested dynamic search, movie detail pages and responsive layout against an external movie API.

PROFESSIONAL EXPERIENCE

Assistant Professor, Department of Computer Science Jan 2026 – Present

ECR Institute of Management Studies, Udupi, Karnataka

- Teach DBMS, Python, Data Structures, Cryptography and Fundamentals of Data Science to BCA students across all three years.
- Run programming labs: review, debug and evaluate student code, finding logic errors and edge-case failures.
- Students scored up to 98/100 in Fundamentals of Data Science in the last semester university examination.
- Handle exam duties, class advising and event coordination, requiring accuracy, documentation and deadline management.

EDUCATION

Master of Science in Computer Science 2023 – 2025

University of Kerala, CGPA: 8.0

Bachelor of Computer Applications 2020 – 2023

University of Calicut, CGPA: 7.2
